

## **Report on Activities and Events for Muslim Girls of Éire**

### **Introduction**

Muslim Girls of Éire (MGOE), the youth branch of Muslim Sisters of Éire (MSOE), has played a pivotal role in providing a supportive community for young Muslim girls, especially those from migrant backgrounds. Through a diverse range of events and initiatives, MGOE aims to empower these girls, fostering their personal growth and creating spaces for learning, cultural expression, and social connection. This report highlights the activities held in 2023 and 2024, emphasizing the increasing engagement and demand for such events.

### **Overview of Events**

#### **2023 Highlights:**

1. **World Hijab Day (February):** 50 attendees.

### Analysis of Attendance Trends

- **2023 Attendance:** With 7 events, the total number of attendees was **265**, averaging **39 participants** per event.
- **2024 Attendance:** With 10 events, the total number of attendees rose to **1,005**, averaging **100 participants** per event.

The attendance increase of **278%** from 2023 to 2024 highlights the growing demand and success of the MGOE programs. Events like the **Ladies' Multicultural Day** and **Dr. Haifa Younis' Conference** saw unprecedented engagement, drawing **200** and **500 attendees**, respectively.

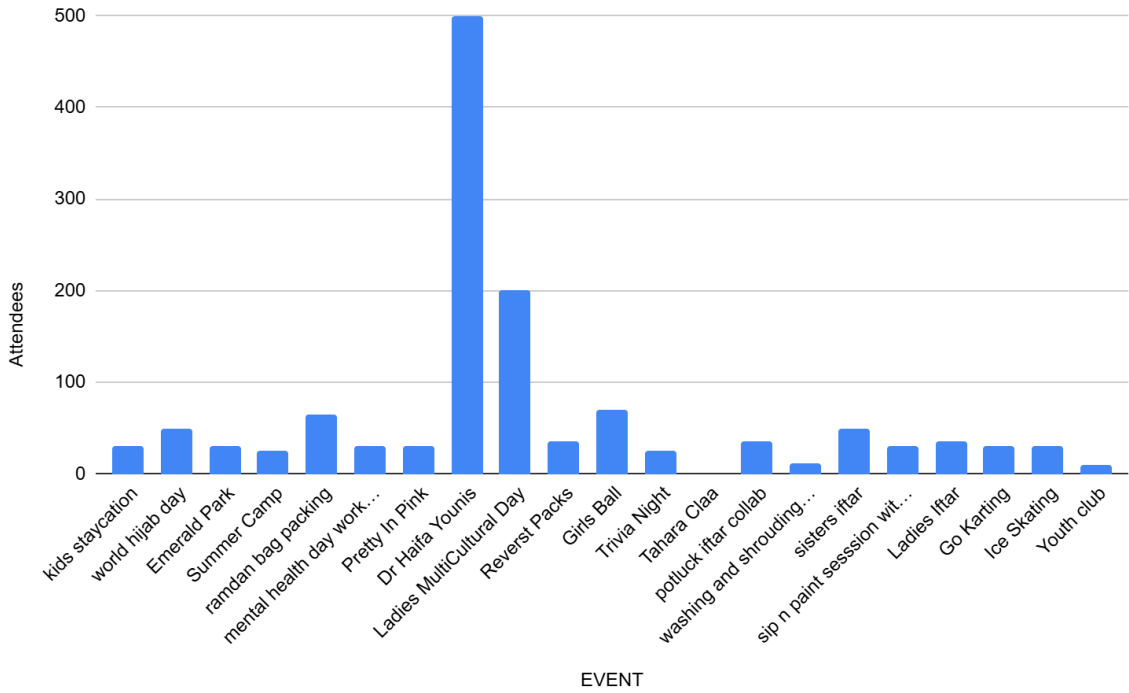

### Key Achievements

- **Community Impact:** The events provided a safe, inclusive environment for Muslim girls to engage in meaningful activities.
- **Diverse Offerings:** Programs ranged from recreational activities like the **Pretty in Pink Picnic** to educational workshops such as the **Tahara Class** and **Mental Health Workshop**.
- **Ongoing Initiatives:** The **Revert Packs Project** continues to support new Muslim women, ensuring their inclusion and support within the community.
- **Record-Breaking Attendance:** The **Dr. Haifa Younis' Conference** attracted 500 attendees, setting a benchmark for future events.

Attendees vs. EVENT

## Conclusion

Muslim Girls of Éire has made significant strides in empowering young Muslim girls through its programs. The sharp rise in attendance between 2023 and 2024 demonstrates the growing need for such initiatives. By continuing to offer diverse and engaging events, MGOE is fostering a stronger sense of community, empowerment, and cultural pride among young Muslim girls in Ireland.
